

# Strive for Twenty-Five!

If your family believes it is important for girls to have a strong sense of self, be connected in a diverse and changing world, and know how to take action as an advocate for themselves, we hope you will participate in Girl Scouts of the Missouri Heartland's *Strive for Twenty-Five* Family Giving Campaign. One hundred percent—every penny of every donation—is used in our council jurisdiction to strengthen and help deliver the dynamic programs that will help build girls of courage, confidence, and character, who make the world a better place!

Every donation, large or small, is needed and appreciated. As thanks for the support, girls of families that make a **minimum \$25 donation** will receive a family giving campaign patch.
